RESEARCH PHASE																																																																		
1	Nathan	7 days	Research Navigation	Task 1																																																														
2	John	7 days	Research Pick and store																																																															
3	Triet	7 days	Research Barcode scanner																																																															
4	Bao	7 days	Research Localization																																																															
BUILD AND TEST PHASE																																																																		
5	Nathan+	7 days	Build navigation	Task 5																																																														
6	Nathan+	7 days	Test and rework: Navigation																																																															
7	John+	7 days	Build Pick and store	Task 7																																																														
8	John+	7 days	Test and rework: Pick and store																																																															
9	Nathan+	1 days	Combine Navigation + Pick	Task 8																																																														
10	Triet+	7 days	Build Barcode Scan																																																															
11	Triet+	7 days	Test and rework: Barcode scan	Task 10																																																														
12	Bao+	7 days	Build Localization																																																															
13	Bao+	7 days	Test and rework: Localization	Task 11																																																														
14	Everyone	7 days	Final Integration test and rework																																																															
POST-DEMONSTRATION WORK																																																																		
15	Triet+	3 days	Prepare presentation	Task 12																																																														
16	Everyone	1 days	Give presentation																																																															
17	Bao & Triet	7 days	Re-format engineering notebook	Task 13																																																														
18	John & Nathan	7 days	Write report
